

Useful Information for University Application

Dear ASRJCians,

To help you with your university application, you may want to refer to the following information and resources.

Deadlines for University Application

Deadline	University
19 March 2020	All local autonomous universities
20 March 2020	Yale-NUS

Application Process

****Important:** Please check the respective university websites for actual timelines

How to Apply

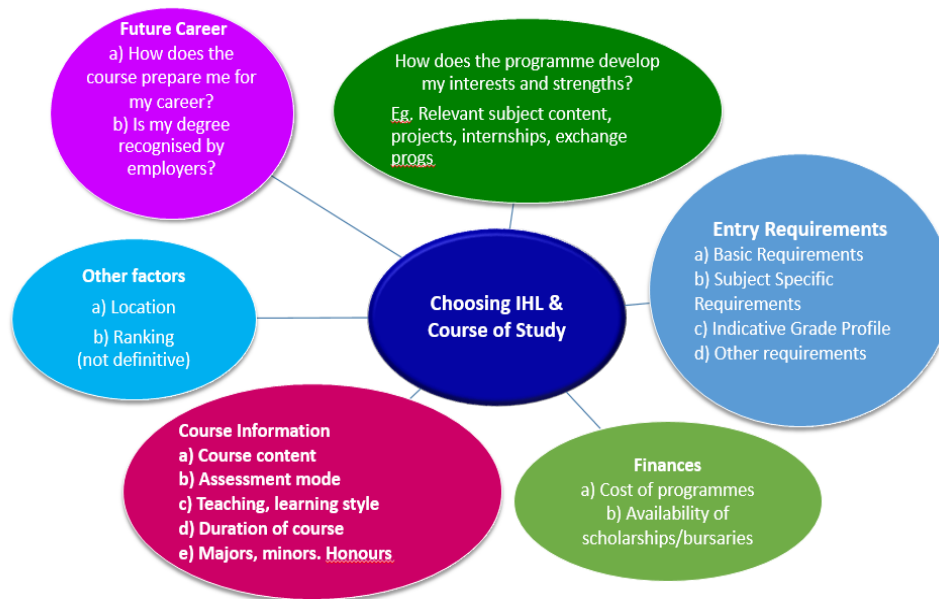

You should apply to **each** university via their online forms. Any application for scholarships or financial aid should be done at the same time in the online forms.

In order to increase your chances of success, you are strongly encouraged to apply to **all** universities concurrently.
